

Key Instructional Approaches During Times of Division

In reference to the Protocol for Advancing Inclusive
Teaching Efforts

Addressing **exclusionary acts** (EXCL)

Making **real-world connections**
meaningful to students' sense of self
and community (REAL)

Relationship building that establishes
trust and engagement across
difference (REL)

Using **diverse examples** to humanize
and contextualize the events occurring
relevant to course topics (DIVEX)

Utilizing **community standards** that
support inclusive learning environments
(COM)
